

To whom it may concern,

My firm has worked with Clayton Prescott on multiple projects over the years. Every Manager in my Firm, Myself included, have found Clayton to be an outstanding Engineer. He has always gone above and beyond the scope of work to make sure each project has been completed to the satisfaction of our Clients. I would highly recommend hiring him for any project that requires his expertise.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Blair Newton', is written over a horizontal line.
